

Long Stratton Neighbourhood Plan

Agenda and Notice of Meeting

The Long Stratton Neighbourhood Plan Committee meeting is to be held
virtually via Zoom, on Monday 3rd August 2020 at 2.30pm

1. Apologies for absence
2. To receive disclosures of interest and dispensations
3. Acceptance of last minutes from the last meeting on Friday 13th March 2020
4. To discuss any matters arising from the last minutes
5. To discuss and decide on questions from Rachel – ‘Please check whether Recommended Change R20-2 goes far enough. Is there demand from other community groups other than the scouting group. Have I provided sufficient context. Does it sufficiently justify the work that the Town Council has done with regards to the community meeting space plans.’
6. To discuss and decide on questions from Rachel – ‘Burial grounds needs. You told me at the meeting on 13 March 2020 that there is no current need for additional burial ground space. This is fine but paragraph 2.38 of the NP specifically states: *There is a need for additional burial ground facilities in the plan area.* This has always been there. I think it came from AAP review work. Shall I amend this sentence?’

- 7. To discuss and decide on questions from Rachel – ‘Health check recommendation and Policy GI18. Please note the feedback on the health check report. Highlighted in Green. I don’t think we ever discussed this. The health check examiner has indicated the policy is too prescriptive. This is about Green Infrastructure management. Please let me have your views on this. This slipped through the net in all our previous meetings**

- 8. To discuss any other outstanding queries on the logs sent by Rachel**

- 9. Any other business**

- 10. Date of next meeting**
