Dear Mrs Bennett

Long Stratton Neighbourhood Plan Neighbourhood Area Application

I write with regard to your application consisting of a letter dated 11 April 2016 and accompanying map for the designation of the Parish of Long Stratton and adjoining parts of the Parish of Tharston and Hapton as a Neighbourhood Area.

The consultation period for the application is now complete; two responses were received, neither of which raised any objection to the proposed designation.

I can therefore confirm that the Parish of Long Stratton and adjoining parts of the Parish of Tharston and Hapton, as set out on the map, are designated as a Neighbourhood Area and that your Council, with the agreement of Tharston and Hapton Parish Council, is therefore the relevant body to prepare a Neighbourhood Development Plan.

If you have any queries please contact me using the details above, or another member of the Planning Policy Team on 01508 533805.

Yours sincerely

Adam Nicholls
Planning Policy Manager
